Propane	- 291.2 gals
PSNH	-\$50/month (approx.)
Oil	-450.4 gals/

In addition to the rate of rent, the heating, electric & communication utilities will be at your expense. The utility expenses above are based upon past season's actual usages. Temps where turned back to 55 degrees whenever not occupied. The cost of cleaning at the term's end is also in addition to the rent and is variable based upon what is found to be necessary. Our estimate for the cost of a full cleaning for The Ski Lodge by The Lake is between \$150 & \$175 if working within typical standards of usage.
